

# Welcome!

It's great to be outdoors on the snow. Please be safe, courteous, and enjoy yourselves.

## Things to Remember

- Trails are not patrolled - ski with a partner for safety.
- Trails are groomed regularly under proper weather conditions.
- Most of all have fun!

## Please note:

- Snowshoeing is not permitted on our cross country ski trails (except where crossing a ski trail is necessary). Use of snowshoes will damage the groomed area of the ski trails and will negatively impact our cross country skiers' experience. There are 2 snowshoe dedicated trails marked with green or orange diamonds. We thank you in advance for your consideration.
- Pets do a lot of damage to our groomed surfaces. If you need to bring your pets skiing, please limit activity to Snow Shoe Trails and Gold Trail so that we can minimize our rework efforts.

## Skiers Responsibility Code

*There are elements of risk in skiing that common sense and personal awareness can help reduce.*

1. Maintain control of your speed and direction at all times.
2. Ski in a manner that does not endanger others.
3. If you are skiing alone, let someone know where you are going and when you expect to return.
4. Do not stop where you obstruct a trail or are not visible to others.
5. Obey all signs and posted warnings.
6. Keep off closed trails
7. Watch for unmarked obstacles.

## Trail Courtesy

*For the enjoyment of all trail users, please keep the following points in mind:*

- Most trails are bidirectional - please stay on the right side of the trail.
- A climbing skier should yield right-of-way to a descending skier.
- Skiers should step to the far side of the track when overtaken by a faster skier.
- Do not skate ski across a groomed classic ski track.
- **Do not walk on the trails.**
- **Snowshoers must stay off of groomed ski trails.** This leaves 99.9% of the 150+ acres here at Brookhaven including nearly 3 miles of snowshoe trails open for your use. Please cross ski trails directly.
